2021 GREAT TERRACED VINEYARD SINGLE VINEYARD BAROSSA GRENACHE

The 2021 Great Terraced Vineyard Single Vineyard Barossa Grenache is made in a contemporary, aromatic style, with bright fruits, savoury spices, medium weight and silky tannins.

VINEYARD

The Great Terraced Vineyard, planted on the estate hillside, consists of bush vine Grenache growing in clay loam with outcrops of ironstone, quartz, and bluestone. Originally planted in 1855, the vineyard was replanted in contoured rows in 1958 to follow the natural shape of the land, using meticulously selected original cuttings to ensure the highest quality.

Traditionally, the Grenache from The Great Terraced Vineyard was used entirely for fortified wine production, but today it is made into contemporary still wine expressions. Spanning over 250 acres, the vineyard is hand-pruned and hand-picked.

WINEMAKING

The 2021 Great Terraced Vineyard Single Vineyard Barossa Grenache was fermented through the historic 1888 Gravity Cellar. Built into the hillside on a series of terraces, gravity guides the flow of fruit down through the winery to deliver gentle extraction of colour, flavour and tannin. Matured in seasoned French Oak Foudres and puncheons for up to 9 months.
