2026
BAROSSA GRENACHE ROSÉ

The 2026 Barossa Grenache Rosé is made in a fresh, dry contemporary style.

VINEYARD

The 2026 Barossa Grenache Rosé was sourced from plantings of Grenache on the western ridge of the Barossa. The fruit was harvested over three picks to capture natural acidity, freshness and ripe fruit flavours.

WINEMAKING

The 2026 Barossa Grenache Rosé was made through the modern winery at Seppeltsfield. Three distinct parcels were processed seperately, with varying time on skins, prior to considered blending. Cool fermentation in stainless steel to develop a vibrant fruit profile was followed by a period of stirring on fine lees, providing texture and balance.

TASTING NOTES

Colour: Pretty in pink, with bright peony and musk.

Aroma: Delicate musk, white peach and wild strawberry.

Palate: Lively and fresh, vibrancy of fruit with sherbert like acidity and a long, dry finish.

Food pairing: Caprese salad.

Drinkability: Best enjoyed in its youth.

TECHNICAL INFORMATION

Alcohol–12%
Variety – Grenache (100%)
Region – Barossa, South Australia
RRP $32
