# 2026
# BAROSSA NERO D'AVOLA

***The 2026 Barossa Nero d'Avola is medium weight with lively primary fruits, and typical savoury tannin drive.***

## VINEYARD

This 2026 Barossa Nero d'Avola was sourced from vineyards on the western ridge of the Barossa. Naturally vigorous and suited to Mediterranean climates, Nero d'Avola soaks up the sunshine while retaining acidity and freshness.

## WINEMAKING

The 2026 Barossa Nero d'Avola is made in a 'joven' style without any oak maturation, which allows the natural fruit characters of this grape variety to shine. This wine was vinified through the historic 1888 Gravity Cellar – which is highly regarded for its small batch format and gentle maceration. Built into the hillside on a series of terraces, gravity guides the flow of fruit down through the winery to deliver gentle extraction of colour, flavour, and tannin.
