2026 MOSCATO

VINEYARD

The 2026 Seppeltsfield Barossa Moscato is made from Muscat a Petits Grains Rouge, grown in our Gomersal Vineyard on the region's Western ridge. Locally known as Brown Muscat, the variety has long been associated with Seppeltsfield's luscious and rich Victorian-sourced fortified Muscats. Our small Barossa planting on red brown soils has also been traditionally used for fortified wine components. Recent modification of vineyard practices and harvest timing has, however, enabled this interpretation - a delicate and perfumed sparkling Moscato.

WINEMAKING

The 2026 Moscato was made through the Modern Winery at Seppeltsfield to retain freshness and vibrancy, with a carefully balanced harmony of sweetness and flavour. Lightly carbonated before bottling, it delivers a refreshing sparkling finish – truly summer in a glass.

TASTING NOTES

Colour: Vibrant strawberry pink.

Aroma: Perfumed aromatics of musk and rose water.

Palate: Bursting with flavours of Turkish delight, juicy ripe strawberries and a smooth and creamy finish.

Food pairing: Classic fruit tart with crème pâtissière

Drinkability: Best enjoyed in its youth.

TECHNICAL INFORMATION

Alcohol – 10%
Grape Variety – Muscat of Alexandria
Region – Barossa, South Australia
500ml - **RRP $27**
